Waxling® Firelighters

Trade Price List 2025/26

All prices are excluding 20% VAT + Shipping

Waxling® Firelighters

Made out of 100% natural wood wool and wax featuring a consistent and smooth shape with few off-standing fibres. With a long burning time and containing only natural resources, Waxlings® are the perfect product to start any kind of fire.

Waxling® Firelighters are made from natural wood wool which has been soaked in clean candle wax, resulting in an odourless and easy to store product.

Wood Species: Pine and Spruce

Average burn time: Approx. 10 min

Amount needed: One per fire

Wax amount: 40–50% high-quality candle wax
