# Some information about Waxling® Firelighters

## Waxling® Firelighters

Made out of wood wool and wax featuring a consistent and smooth shape with few off-standing fibres. With a long burning time and containing only natural resources, Waxlings® are the perfect product to start any kind of fire.

Waxling® Firelighters are made from 100% natural wood wool which has been soaked in clean candle wax, resulting in an odourless and easy to store product.

**Wood Species:** Pine and Spruce

**Average burn time:** Approx. 10 min

**Amount needed:** One per fire

**Wax amount:** 40–50% high-quality candle wax
